

Job Description

POSITION DETAILS			
Functional Designation	Securitization Specialist	Department	Treasury
Sub Department	Securitization	HR Grade	
Location	Corporate Office	Reporting Manager	
Job Purpose			
Securitization Specialist will play a pivotal role in structuring, executing, and managing securitization transactions within our treasury department.			
Principal Accountabilities			
Securitization Structuring: Develop and analyze securitization structures, including asset-backed securities (ABS), mortgage-backed securities (MBS), and collateralized debt obligations (CDOs). Transaction Execution: Oversee the execution of securitization transactions, including due diligence, documentation, and closing. Risk Management: Assess and manage credit, market, and liquidity risks associated with securitization transactions. Regulatory Compliance: Ensure compliance with all relevant regulatory requirements, such as Basel III and IFRS 9. Investor Relations: Liaise with investors and rating agencies to market and place securitization transactions. Portfolio Management: Monitor and manage the performance of outstanding securitization portfolios. Financial Modeling: Develop and use financial models to evaluate the economic viability of securitization transactions. Market Analysis: Conduct market research and analysis to identify potential securitization opportunities. Innovation: Explore new securitization structures and products to drive business growth.			
Desired Profile			
<ul style="list-style-type: none"> Advanced degree in Finance, Economics, or a related field. Strong understanding of securitization theory and practice. Proven experience in structuring and executing securitization transactions. Proficiency in financial modeling and data analysis. Excellent communication and interpersonal skills. Ability to work independently and as part of a team. 			
Preferred Qualifications			
<ul style="list-style-type: none"> Certification in financial risk management (e.g., FRM). Experience with securitization platforms and software. Knowledge of regulatory frameworks and accounting standards related to securitization.
